## The Power of MORE™

The power is in your hands to earn more! Bonuses will be awarded based on your total rebate amount. Please refer to the following table to see the bonus awarded calculation. For example, if your total rebate based on your purchases was \$5,000, you would earn a 15% bonus on top of your \$5,000 rebate. That's an additional \$750 for a total rebate of \$5,750. When you qualify for a bonus, this will be included in your rebate check. Plus, bonuses are calculated based on your total rebate earned. So, if you submit multiple claims, your bonus will account for previous purchases.

Base Rebate	Rebate Bonus
\$10,000 +	20%
\$5,000 - \$9,999	15%
\$2,500 - \$4,999	10%
\$500 - \$2,499	5%
