ProBlend Line Offers Premium Grade Products

Santa Fe Springs, CA – Target Specialty Products has launched a new line of ProBlend seed mixtures. The seed blends include a variety of premium grade products for golf course, sports turf and general landscape uses. Seed mixtures include: 3-way GLS Perennial Ryegrass Blend, Rye/Blue Mixture 80/20, Sun & Shade Mixture and Tall Fescue/Blue Mixture 90/10.

“The seed blends are specifically formulated to cover a broad range of applications in landscape, commercial and residential lawncare, sports turf and golf course maintenance,” said Vice President and Regional Manager Casey Brierley.

Target plans to expand the ProBlend fertilizer line in the coming year. For more information, contact Target’s main distribution center at (800) 352-3870 or visit Target’s Web site at www.target-specialty.com.
