

# Public Health Entomologist

## Online Course

### About the PHE

The PHE certificate program is designed to benefit the practicing pest control/ vector control professional. You do not need an advanced degree to participate, just a solid grasp of the practical aspects of applied entomology.

The Public Health Entomology Certificate does not have a CE requirement. Once you pass your exam, your certificate is valid and there is no maintenance

This course is designed to help you prepare to study to test for the exam.

For more information on eligibility and fees visit:

<https://www.entocert.org/phe>
